Welcome to Ardeer South Primary School! I am so excited to be working with the Prep students next year.

My name is Anthony Cavallaro. I am 29 years old and this is my second year teaching prep.

At home, I have 2 cats and their names are Miley and Nimble, I also have a dog and his name is Dash.

I enjoy doing a lot of things when I am not at school. My favourite thing to do is eat food! I enjoy going to different restaurants and trying new food. I like keeping fit by walking my dog Dash and playing Tennis on the weekends with my friends. I also enjoy watching movies, especially the super hero ones. My favourite super hero is Spider-Man because he wears my favourite colours which are red and blue.

I am looking forward to a fun year of learning with you all!

Welcome to Ardeer South Primary School.

I am so delighted that you are part of our amazing learning community and look forward to working with you and your children.

My name is Sylvana Awada. I am married and have four beautiful children, as well as two cats and a dog. My cat's names are Jasper and Mikey and my dog's name is Shadow. I love animals!

I enjoy going walking and keeping fit. I play indoor soccer and attend Zumba sessions. I love drinking coffee, the colour purple and watching Home and Away. As a family we love to do things together, like playing soccer, going to the beach to enjoy the sun and travelling within Victoria during the holidays. We are also big soccer fans and cheer on our team, Melbourne Victory.

Looking forward to an exciting year together!
