Student safety at Ardeer South Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8:45am - 9am in all areas of the playground.

After school: School grounds are supervised from 3:15pm until 3:30 pm in all areas of the playground.

Students on school grounds outside these times will not be supervised - unless they are attending a before or after school care program or supervised extracurricular activity.

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact Community OSH on 0476592352 or refer to [Community OSH](#) for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements please contact Andrea Markham (Principal) on 9363 2768.

For a copy of our school's Yard Duty and Supervision Policy contact the school office. This policy includes Ardeer South Primary School's student supervision arrangements across the school day, including before and after school.
