Weekly Assembly
Each Wednesday at 2:45pm

Maths Day!
Friday 28th March
Special activities planned during school day

Week 10
Last Day Term 1
Friday 4th April
Dismissal at 1:30pm

Ardeer South Primary School acknowledges the Wurundjeri people of the Kulin Nation as the traditional custodians of the land the school is located upon, and pays respect to Elders past, present and emerging.

Can you believe we are coming to the end of Term 1 already?

The last few weeks have seen us enjoy many whole school events with the highlights being Harmony Day and our Werribee Zoo Excursion.

Naplan testing is completed and we believe our Year 3 and Year 5 students were given the best opportunities for success during this period. We are proud of how well they handled what is sometimes a stressful situation.

If we do not see you in the next week we wish you a safe and happy holiday period.

Andrea and Grant.

School News

Harmony Day

On Harmony Day we celebrated the beauty of diversity and the power of inclusion at ASPS! Our students shared their rich cultures through classroom activities, music and dance, embracing what makes each of us unique and special. From colorful outfits to heartwarming performances, it was a day filled with cultural pride! ✨

On this Harmony Day, we stand together as one community, united by respect and kindness. We are proud to honour the many cultures that make our school such a vibrant and welcoming place.

Let's continue to celebrate diversity, promote inclusivity, and spread kindness every day! 🌍💛

A special assembly with cultural performances was a showcase of our multicultural backgrounds and pride in our community

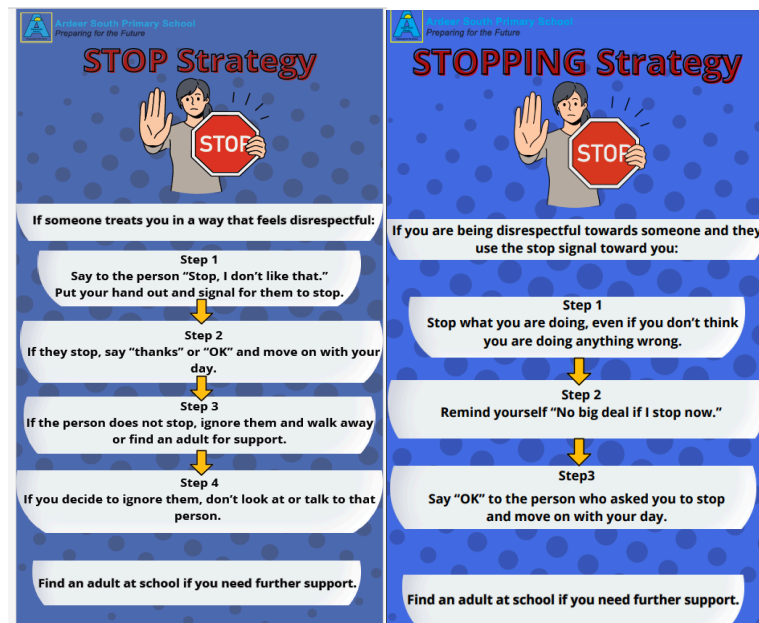

FRIDAY 4th APRIL Dismissal is at 1:30pm.

Any child not picked up at this time will be placed into the Afterschool Care Session mentioned below!

School Wide Positive Behaviour

Social Skill of the Week: We use the STOP and STOPPING strategy

Our social skill of the week is 'We use the STOP and STOPPING strategy' where students practice strategies that help them when faced with disrespectful behaviours.

We aim to provide students with the language to problem-solve and seek help when they need it. The STOP strategy is a schoolwide approach to dealing with disrespect and teachers dedicate their time to make sure all students feel they are in a safe and happy school environment.

MATHLETICS CHAMPIONS

Congratulations to our Mathletics Superstars who have been committed to homework time practising their maths fluency.
