What a fantastic month!

Celebrating a wonderful first month back at Ardeer South Primary School, with so many achievements in Term 2 so far!

We would like to thank and acknowledge our wonderful Educational Support Staff who work so hard for our students every day. This Friday we will be celebrating with a special morning tea!

We would also like to thank our parent helpers for giving up their time to organise and run our Mother's Day stall last week. It was a huge success!

An important reminder for families is that next **Wednesday 21st May** is School Photo Day. (See information below)

Thank you for your ongoing support!

Andrea and Grant

### **Gardening at Ardeer South!**

*It is really fantastic to see our students helping out with the gardening here at Ardeer South.*

*Last week, students helped with filling up our garden beds with soil, watering all of our new plants and cleaning up the weeds.*

*We encourage all families to take a walk through our beautiful garden!*

## **School Wide Positive Behaviour**

### **Value of the Week - Respect:**

#### **The Value of Respect: Building a Stronger School Community**

Respect is one of the most important values we can nurture in our school community. It's the foundation of positive relationships, successful learning environments, and a safe, welcoming place for all.

At its core, respect means showing consideration for others, listening when someone else is speaking, accepting differences, treating everyone with kindness. When we practice respect, we create a culture where everyone feels valued and heard.

We encourage parents and guardians to continue these conversations at home. Ask your child what respect means to them and how they show it in their daily life. Together, we can reinforce that respect is not just a rule, it's a lifelong skill that helps us build better relationships and stronger communities.

## Hello Families

Over the past fortnight, we celebrated the upcoming Mother's Day with handmade cards and flower crafts, decorated photo frames, and participated in a "Mother's Day Tea Party" role-play. In addition we explored the season Autumn, students engaged in leaf rubbing art, creating autumn collages using natural materials, and sorting leaves by colour and size. We also went on nature walks to observe the changing environment and collected leaves, sticks, and seed pods.

## Happy Mothers Day

On the 11th May we honour the incredible love and dedication of all the wonderful mothers and guardians out there! Your unwavering support makes the world a brighter place!

## LET'S GLOW!

**Date:** Friday 13th June
