## Digital Learning Statement

Students at Ardeer South Primary School use appropriate digital technologies to foster active engagement in attaining appropriate learning outcomes. They use approved digital technologies to foster their active, creative and critical engagement in attaining challenging learning outcomes. At ASPS students learn how to use the digital technologies safely and will become aware of possible risks and threats and limitations in digital environments. Students will learn to confidently protect their digital identity and manage their digital footprint.

Students will demonstrate the knowledge, skills and understanding required by the Victorian curriculum and will learn to use a range of digital technologies to demonstrate the knowledge, skills and understanding required.

Students, in collaboration with their teacher and/or parents, follow their individual learning needs and preferences, with the aid of appropriate digital technologies. They will be provided with personal feedback and differentiated support based on evidence gathered using a range of methods including digital technologies.

The digital platforms currently used at ASPS and are endorsed by the Victorian Education Department are as follows:

Wushka (Reading), Matific ( Numeracy), Essential Assessment ( Ongoing Assessment), Showbie ( Learning and Assessment) and Compass.

Please note the data stored by these platforms complies with the DET privacy policy. Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child,
